### The government extended CTU Council member's mandate

**Prague, 25 May 2020 – The Czech Government extended term of the current CTU Council member, Jiří Peterka.**

Jiří Peterka started his first 5 years term in June 2015. As of 8 June 2020, the government extended his term for another 5 years. His long experience in the electronic communications field and his expert knowledge of the European regulation framework contributes to smooth functioning of the Czech Telecommunication Office.

*“Mr. Peterka’s work is constructive and professional and I welcome the government’s decision to extend his mandate in the CTU Council”,* said the Council Chair, Ms. Hana Továrková.

*“During my second term, I would like to continue with my work on computerization of CTU, preservation of net neutrality and open Internet access, promotion of broadband access as well as consumer protection”,* said Mr. Peterka.

Mr. Peterka is a long-term advocate of electronic signature, the author of “The Wonderful World of Electronic Signature” and a number of academic articles on e-Signatures and e-Identification.
